Call the Meeting to Order

Discussion and Decision on Personnel Health Care Coverage

Adjournment

City Clerk/Treasurer Diana Davis asked to address Council to explain recent developments with her Health Care Coverage through her former employer.

She is currently paying \$182.41 a month for her single plan coverage. She was notified that on January 1, 2012 the amount was going up to \$376.77 per month.

Ms. Davis petitioned Council to consider paying the extra \$ 200.00 per month. Ms. Davis told Council that Mayor Jansing had offered her additional hours on Friday to make up the difference however; she stated she would rather not work on Fridays.

Ms. Davis informed Council that if she would go under the health care program through the State it would cost the City of Lakeside Park between \$500.00 and \$600.00 a month.

Ms. Davis made Council aware of a letter outlining her employment agreement dated in January of 2007 from then, City Attorney Otto Daniel Wolff, which states that there is no medical insurance coverage as part of her employment agreement.

Ms. Davis stated that she asked Former Mayor Katherine Terwort if she could get medical coverage through the City at a later date, and she stated that she was told yes. There is nothing in writing to this agreement.

Ms. Davis then excused herself to allow Council to discuss the issue. Council was provided with a copy of the letter referred to by Ms. Davis.

Following discussion by Council, Councilwoman Aimee Pelletier made a motion to deny the request made by Ms. Davis. Councilman Andy Disken seconded the motion whereby a roll call vote was taken.

Councilman Frank Smith abstained. Council members Aimee Pelletier, Dave Wolfer, Paul Markgraf and Andy Disken voted aye. Councilman John Rhodes voted nay.

The motion carried.

Councilwoman Aimee Pelletier made a motion to adjourn. Councilman Paul Markgraf seconded the motion. The motion carried.

The Special Meeting was adjourned at 6:00pm.

Respectfully submitted:

David E. Jansing, Mayor
